Conditions

1. The firm is requested to note that the registration in this office does not necessarily constitute acceptance or recognition by the Government of any of the facts stated in their application. Further, the registration will not imply any commitment whether on the part of the Government to provide a foreign exchange or any other assistance.
2. In case it is desired to suspend the activities, the registration certificate may be returned to this office for cancellation.
3. In case of any addition/deletion of your units please apply for the revised certificate. The units should be informed about the firm's registration number which may be required by the enforcement officials at the time of their inspection or at the time of net content checking of samples of their product.
